

UNCONVENTIONAL COMPREHENSION AND OTHER NIFTY STRATEGIES!

Cathcart R., REACH Education Consultancy

Your gifted pupils love reading and are streets ahead in their reading and comprehension levels, so nothing for you to worry about there. Right? Maybe not! Gifted readers can have some unexpected issues. Here's how to respond in kind, with some unexpected solutions that are both practical for you and high-interest, high-value for your gifted learners (and that you can enjoy too!)
