

Catholic Education NT Gifted Education Week competition Calling all Thinkers!

**“One thing I would like to change about the world
to make it a better place is..... because.....”**

If you were boss of the world, what would you like to change?

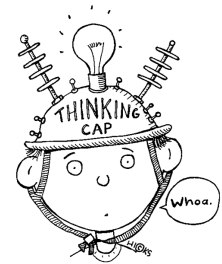

What is the one thing you believe is getting in the way of the world being the best version of itself?

What is most important to you?

We want to hear about how you are solving the problems of the world. How would you deal with the issues facing our world today? What is going around inside your head when you hear about these issues? Don't forget to explain your solution.

Some great **tools** to help you plan your thinking might be:

- Edward DeBono's 6 Hats for Thinking
- Thinkers keys – which ones would be most helpful
- Different graphic organisers
- Mindmapping
- Concept map
- Open brainstorm

Please respond creatively through writing, ICT tools, visuals, poster, audio, video.....

Please submit your:

- **Planning**
- **Final product with the**
 - **Solution**
 - **Reasons why it is so important**
 - **Your plan for how it could happen**
- **A list of any references/resources you used to help you create your entry**

All entries to be submitted by close of business Friday 23rd March, 2018. Please see representative at your school for submission details.

Winners will be judged and announced after Gifted Education week, so it can be highlighted in your school up to and including that week.

There will be T-2, 3-6, 7-9 and year 10+ categories.
