

Helpful Hints for Parents of Gifted Students

Organiser: Gifted WA Inc.

Date: Monday 19th March 2018

Time: 6:45 - 8:00pm

Venue: Comet Bay College
2 Allatoona Avenue
Secret Harbour

The first part of this presentation is a parent's reflection of her child who graduated in 2017 as dux of her secondary school and covers the difficulties encountered and how these were managed and overcome for a successful outcome.

Identifying strategies to help gifted students thrive in and out of the classroom by Alchemy Therapy, Dr Kate Burton, will follow.

Finally the Dean of Academic Excellence will highlight practical tactics Comet Bay College implements for their gifted students.

Q & A session will conclude the evening.
